Dear Mrs Manley:

We would like to know the conditions under which we are to play on August 20th and 21st and if these games are to be played as arranged in the schedule.

Would you like to play Labor Day at Dexter Park? Also can you find some place to play from the 25th of August to the 31st that is not too far away?

Can you play September 12th in Newark; that is a Sunday?

When do you plan to take your team off of salary. I intend to do so on the 1st of September.

Kind give the matter above your prompt attention and let us hear from you soon.

Very truly yours,

James Semler
